

OCT. 22-1954

HOLD THAT LINE, as signified by the above shot of Wakefield forwards performing their duties in preparation for the oncoming foes. Practice such as this has limited the Warrior opponents to but 19 points in five games. Sessions such as this also teach the offensive linemen

methods of evasion as well as blocking. Wakefield's next foe will be Herndon High, a Group I team, at Herndon Saturday afternoon at 2:00 p.m.
